Based on our experience we are able to guarantee that your trip will be an amazing success, with Global providing a transparent and impeccable service in all aspects, offering new creative ideas to keep in tune with your company's image. Lanzarote - The mythical island

Lanzarote is notable for its diverse landscapes. Volcanic eruptions of the past have created a spectacular panorama of unique shape and beauty. The Timanfaya National Park, vineyards of La Geria, Jameos del Agua give the visitor an unforgettable sensation. The splendid beaches are enjoyed throughout the year, thanks to an amazing all year climate, that invite you to enjoy a wide range of sporting and leisure activities.

Lanzarote not only has its natural wonders, it also has an impeccable infrastructure, accommodation for all requirements, professional services with minimal distances between them - a perfect place where business and pleasure go hand in hand. Tenerife - The getaway you deserve

From the coast to the mountains, Tenerife forms a marked contrast where you'll find the perfect place to fill your trips with unforgettable moments: remote coves of black sand, long golden beaches, deep ravines, giant cliffs, exotic forests, volcanic lunar landscapes and impossible forms&hellip;

On the Island of Tenerife, the largest of the archipelago, you will discover incredible landscapes and a world of sensations; Tenerife opens your eyes to nature with all the comforts of a world class tourist destination capable of satisfying all your leisure needs: climbing, paragliding, potholing, horse riding, walking or cycling, fishing, scuba diving, surfing, windsurfing and more. You can participate in unique activities such as hiking routes and monumental cities or observing stars with expert guides in one of the most beautiful places in the world: the Teide National Park, crowned by the majestic volcano to which it owes its name and that is 3,718 meters high, the highest peak in Spain.

Tenerife, the island of eternal spring, endowed with magnificent golf courses and the most modern marinas, is also the ideal place for health and beauty where you can obtain the pleasure of the most relaxing health and beauty treatments.

Enjoy their exceptional hotels and apartments or rural family houses in which you feel right at home. La Gomera

La Gomera is nature in its purest form: lush forests, steep gorges, cliffs and towns that preserve their ancestral traditions to offer holidays with a difference. Island trails, villages and remote places of incalculable ecological value, La Gomera gives you all the charm of a welcoming land where you can live your best experience of rural tourism.

Discover the Garajonay National Park, declared World Heritage by UNESCO in 1986, and its laurel, a dreamy forest that once covered the entire Mediterranean basin and which is regarded today as a true living fossil. La Palma - La Isla Bonita

Come to a quiet island not to be missed.

An island to learn to breathe again. El Hierro - lives his magic

Few places preserve its authenticity and its natural wonder as the island of El Hierro, the smallest in size of the archipelago and one of the most beautiful corners of the Atlantic Ocean.

Just over 278 square kilometers, the visitor finds a continuous contrast of landscapes, where you can admire lava flows, volcanic cones, green pine forests, meadows or soft real forests LAURAC (laurel), along with rocky coasts of colossal cliffs that plunge into a blue waters, transparent and full of life.

In El Hierro can live a real encounter with nature, wondering their trails, on foot or by bicycle, paragliding over its valleys or entering in its volcanic caves.

The forest of ancient junipers, the beacon of Orchilla or the Cave of Don Justo, in La Restinga, are all wonderful, singular sites that are unique in nature.

In El Hierro you can discover the most spectacular oceans; waters that bring an incredible volcanic landscape and hundreds of subtropical species. Another of its undoubted attractions in Guinea, a recovery center of the giant lizard, an endemic species and protected with remarkable scientific interest.
