

## Congresses and Conferences

All the islands have unique establishments for each type of convention. From hotels equipped for the most demanding customer to the Green Caves or Jameos del Agua which wow audiences with their breathtaking natural beauty.

The islands of Tenerife and Gran Canaria have the biggest hotel capacity, making them ideal for large capacity congresses and conferences. Both islands have Auditoriums in the north and south.

Global Incentive has audiovisual material for video conferencing, simultaneous translators, luxury cars with or without driver, hostesses, graphic design and production, so that your Congresses and Conferences are a complete success.

The services includes management of all the specific aspects of conferences: registration, hotel reservations, management of social events and the comprehensive development of the entire organization. Secretariat, trade exhibition, transport and booking hotels, pre and post conference tours, social program, program companions.

Our department of conventions and congresses, is devoted exclusively to the professional organization of congresses, symposiums, workshops, training courses, product launches, conventions and all kinds of professional meetings.
